# 1. Technical Facilities

## Stage Specs

Stage dimensions: approx.. B8m x D4m x H0.8m

Clearance: approx. 3,5 meters

Gimles main stage is build within an old water tank so the she stage is rounded in the back to accommodate the wall of the of the room. If the artist wishes to change the dimensions or the placement of the stage, change the light rig, or other production related modifications. unless otherwise agreed upon beforehand, all related expenses in personnel and materials or otherwise, will be charged to the artist. The expenses for any such modifiction will be determined by Gimles head of production and can be withheld from the artist payment or charged separately in agreement with the artist.

To ensure the highest quality show production, technical riders, stageplot and input list must be forwarded to Gimles production coordinator: Anne Vang Mouritsen, [anne@gimle.dk](mailto:anne@gimle.dk) no later than 3 weeks before show date.

Upon request the venue can provide safety barriers. However this must be agreed upon before show by both parties. The expense of setting up safety barriers is covered by the artist. Contact production coordinator Anne Vang Mouritsen at [anne@gimle](mailto:anne@gimle).

The artist will generally be required to use the house PA and sound equipment. Use of own PA is generally not accepted. If the artist wishes to bring their own sound or light consoles this must be coordinated with Gimles production coordinator Anne Vang Mouritsen at [anne@gimle.dk](mailto:anne@gimle.dk)

Any expenses in relation with this is paid by the artist. If the artist needs extra equipment not described in this production guide, the venue will help with rental. The rental cost will be covered by the artist.

## 2. Backstage and parking

### Backstage

Gimle has 2 connected backstage rooms. If separate rooms are required this can be coordinated with Anne Vang Mouritsen, [anne@gimle.dk](mailto:anne@gimle.dk).

The rooms are equipped with toilets, bath, mirrors, iron and ironing board, stocked refrigerator, lounge area with TV, Playstation, VHS tapes, boardgames and dining table.

The rooms are locked at all times.

### Parking

There is limited parking options at the venue. If the Artist arrives with more vehicles than there is room for at the venue, the venue rep will guide to an alternative parking location nearby.

The nearest parking is at Kildegården (4 hour limit) or Roskilde Kongrescenter. (Unlimited parking)

### Nightliner

There is room for one nightliner with external power supply at the venue.
